TEACHING AND RESEARCH EXPERIENCE

JANUARY 2021 – DECEMBER 2023

RESEARCH ASSISTANT, FINANCE DEPARTMENT

UNIVERSITY OF MISSOURI, COLUMBIA, MISSOURI, USA

- Collaborated with finance faculty on multiple research projects, contributing to data collection, meticulous data cleaning, and rigorous data analysis.
- Assisted in reviewing and synthesizing papers, ensuring accuracy and coherence in research findings.
- Facilitated undergraduate-level finance courses by providing instructional support.
- Evaluated and provided constructive feedback on research papers, quizzes, exams, and homework assignments, ensuring academic rigor and fairness in assessments.

JULY 2019 – APRIL 2020

TEACHING ASSISTANT, FINANCE AND ACCOUNTING DEPARTMENT

INDIAN INSTITUTE OF MANAGEMENT UDAIPUR, UDAIPUR, RAJASTHAN, INDIA

- Assisted in teaching 4 graduate level courses ranging in size from 60-75 students. Courses included: Banking and Financial Markets and Systems, Corporate Valuation, Corporate Finance, Managerial Accounting.
- Prepared course material including exam answer keys and textbook problem solution keys.

JANUARY 2016 – MAY 2016

GRADUATE TEACHING ASSISTANT, FINANCE DEPARTMENT

THUNDERBIRD SCHOOL OF GLOBAL MANAGEMENT, PHOENIX, ARIZONA, USA

- Assisted Professor Michael Moffett with research for the case-write up on the valuation of Ferrari (Ticker: RACE, NYSE) for the purpose of classroom discussion.
- Led problem-solving and discussion sessions for groups of 15-35 graduate business students in their foundational finance course.

LEADERSHIP AND TEAMWORK EXPERIENCE

JULY 2017 – MARCH 2018

BUSINESS ANALYST, MASTERCARD, O'FALLON, MISSOURI, USA

- Managed two agile teams of seven members each, identifying team dependencies and anticipating requirements to manage conflicts thereby increasing the amount of finished work products by 120%.
- Coordinated efforts of more than twenty stakeholders from five different external and internal teams, as part of the development and the launch of Mastercard's Faster Payments product in the UK market.

OCTOBER 2016 – APRIL 2017

BUSINESS ANALYST, T. ROWE PRICE, BALTIMORE, MARYLAND, USA

- Simulated trading strategies of US Municipal bonds separately managed accounts (SMAs), worth \$5 million, to analyze results and configure system properties for modelling, trading, and execution tools.
- Analyzed the requirements of the SMA portfolio managers and traders to identify solutions for integrating more than five different systems used for investment modelling, trading and execution.

JULY 2012 – MAY 2014

CONSULTANT, KAIVALYA EDUCATION FOUNDATION, UDAIPUR, RAJASTHAN, INDIA

- Created financial structure for school endowments, by overseeing and analyzing fund transactions from alumni and local communities and channeling funds for best usage.
- Managed a peer group of six members to develop leadership attributes among 24 elementary school principals by providing individual coaching and multiple academic leadership workshops.

JULY 2009 – APRIL 2012

QUALITY ASSURANCE ENGINEER, CROMPTON GREAVES LIMITED, GWALIOR, MADHYA PRADESH, INDIA

- Managed and supervised a team of five members for final acceptance testing engagement, achieving the target of conducting 30+ performance tests on electrical transformers per month.
- Fostered client relationships by regularly interacting with clients during performance tests, resulting in 50% revenue contributed by repeat customers.

CONSULTING PROJECTS

JANUARY 2016 – APRIL 2016

VALUATION CONSULTANT, BIOACCEL, PHOENIX, ARIZONA, USA

- Prepared a standard financial model and performed the valuation of ten different startup biomedical device companies worth around \$250,000 in early stage and created a due diligence valuation report for BioAccel investors.

JANUARY 2016 – APRIL 2016

ORGANIZATIONAL CONSULTANT, MARICOPA ASSOCIATION OF GOVERNMENTS, PHOENIX, ARIZONA, USA
